Registered Overseas Student Recruitment Agencies as of April 15, 2024

Under Regulation 47(1)(d) and (f) of the Universities (General) Regulation, G.N 226 of 2013, no person or institution, whether local or foreign, shall, without the express approval of the Commission, advertise to offer any university-level award, organise exhibitions on university education, or recruit students in the United Republic of Tanzania to join foreign university institutions.

In recent years, Tanzania has experienced the establishment of Overseas Student Recruitment Agencies (OSRAs) to help enroll students in foreign universities. However, this sector has been unregulated, as there was no documented information on their registration and accreditation status, as well as guidelines and criteria for the services rendered by such agencies. In view of the aforesaid, TCU has established guidelines that require every agency intending to carry out overseas education student recruitment to lodge their applications for registration with TCU. The aim is to ensure the quality of graduates recruited by these agencies as well as to be satisfied that students are admitted to institutions which deliver higher education of high quality. Currently, there are 24 Overseas Students Recruitment Agencies already registered by the Commission as follows:
