Undergraduate Admission Guidebook for 2019/2020 Academic Year
(For Holders of Ordinary Diploma or Equivalent Qualifications)

Preface

The Tanzania Commission for Universities (TCU) through its mandate as spelt out in Section (12) (2) (a) (b) (c) of the Universities Act Cap 346 of the laws of Tanzania, read together with Regulation 31 (2) (3) (4), coordinates the admission of students into Higher Learning Institutions (HLI) in Tanzania. As it was in the previous academic years, in the current Admission Cycle applications will be submitted and handled by respective institutions.

Thus, all applicants are required to send applications directly to individual Institutions. Higher Learning Institutions (HLIs) will directly **receive** and **process applications, select** and **admit** students into their institutions through their Senates/Boards. There after, HLIs will announce the admitted students prior to the submission to TCU for validation.

In order to facilitate the admission process, TCU has prepared the **Undergraduate Admission Guidebook for 2019/2020 Academic Year** as a tool to guide TCU, HLIs and the Applicants on admission procedure as well as to control quality of students admitted into HLIs.

The book entails information on undergraduate programmes approved to admit students in 2019/2020 admission cycle. In each HLI, minimum entry requirements, institutional admission capacities, and duration of each programme are indicated. An applicant is strongly advised to carefully read and understand the guidelines and programme admission requirements before lodging his/her application to the respective institutions.

The Executive Secretary,
Tanzania Commission for Universities, 2019

1.0 Introduction

As approved in Section (12) (2) (a) (b) (c) of the Universities Act Cap 346 of the laws of Tanzania, read together with Regulation 31 (2) (3) (4), the Tanzania Commission for Universities (TCU) is mandated to coordinate admissions to Higher Learning Institutions (HLIs). The coordination function entails the following:

Pursuant to Section 5(1)(b) of the Universities Act, Cap. 346, the Commission is required to audit, on regular basis, quality assurance mechanisms of Universities which include carrying out evaluation, assessment and monitoring of universities on a continuous basis and preparing guidelines for Quality Assurance and other related matters.

Accordingly, Section 16 of the Universities Act, Cap. 346, as amended by the Written Laws (Miscellaneous Amendments), Act No. 3, 2013 the Commission is duly mandated by the law to charge/ collect quality assurance fee. In view of these legal provisions, the Commission at its 64th regular meeting held on 3rd July, 2014 approved a Tshs. 20,000/= Quality Assurance Fee with effect from July, 2014. It is emphasized that every student has to pay the said quality assurance fee of TShs 20,000/= per year.

It should be understood that the minimum admission entry qualifications set by institutions should not be below the minimum qualifications set by the Tanzania Commission for Universities.

2.2 Modes of Higher Education Delivery

Applicants should note that there are two modes of higher education delivery, namely Conventional or Regular mode and Open and Distance Learning (ODL). Conventional mode of programme delivery is classroom-based while ODL applies online learning management systems where there are no regular classes with limited face to face instruction. Applicants should thus bear in mind that all programmes offered by the Open University of Tanzania (OUT) are delivered through the ODL mode.
